First, and most important, all board members serve at the pleasure of the governor. Mike Barnhill from Law confirmed this for me in March.

Second, Don Giles' term expires 6/30/07. He was appointed by Murkowski 5/13/2004.

Duncan Fields and Kevin Adams also have terms expiring 6/30/07.

The statute doesn't specify if the president/ceo of a seafood processor must sit on the board. I think Law would agree the statute is open for interpretation and you could choose anyone employed by the processor to represent the processor. I will make sure this is the case.

It does specify that the processor must have an annual payroll in Alaska of $2.5 million or more. Large processors currently on ASMI:

Trident

Icicle

Peter pan

Ocean Beauty

All Alaska processors with an annual payroll of 2.5 million or more:

Trident

UniSea

Icicle

Peter Pan

Westward

Ocean Beauty

North Pacific

Norquest

Large processors on the board currently:

Joe Bundrant, VP of Trident

Darry Collier, President/CEO of Peter Pan Seafoods

Mark Palmer, President/COO of Ocean Beauty

Don Giles, President/CEO Icicle
